LIFE
COMMUNITY CENTER

NOT A BUILDING. A BLESSING TO GENERATIONS.

LOVE · INSPIRATION · FELLOWSHIP · EMPOWERMENT

Our Church Family Has Done This Before

This congregation has served the Valley since 1959, first in Pacoima on Vaughn Street. In 1996 we bought the campus we worship in now, took the name Reseda Church of Christ, and a generation has grown up in it. The building beside our campus is for sale, and the church is under contract to buy it. It is time to do it again, together, at a larger scale, for a larger purpose:

"Not for a building, but for a blessing to generations."

What We Are Building

The LIFE Community Center: one campus with room for every generation, with programs for young people from after-school care to college prep, support for families, services for seniors, and a performance stage and gathering place for the whole community.

$1.8M
Campaign Goal

December 7, 2026
Deadline to Complete the Purchase and Prepare the Building

Every Gift Counts

The goal needs gifts of every size, and it needs every household in it. Participation is the point: a building the whole church family gave itself.

- **A campaign gift,** outright or fulfilled by the December 7 close
- **A pledge of up to three years,** first payment with the pledge
- **A monthly commitment** your household can sustain, steady giving that carries the center after the purchase
- **An employer match**, if your company offers one, so your gift goes twice as far

"God is able to do exceedingly, abundantly above all that we can ask or think."

— *Ephesians 3:20* —

Make Your Commitment Today

A gift, a pledge, or monthly giving: whatever is yours to give, decided now, is your household's part in this work. The building is under contract, and the commitments we make now are what turn it into the LIFE Community Center.
